BOBBY JOE MOORE

DEFENDANT

ORDER

Pending is Defendant's *pro se* Motion for Early Termination of Supervised Release (Doc. No. 29). Defendant pled guilty to being a felon in possession of a firearm and was sentenced to 77 months imprisonment, 3 years supervised release, and 100 hours of community service.¹ His supervision began on July 22, 2011, and is scheduled to end on July 21, 2014.²

The Prosecution has responded and requests that Defendant's Motion be denied.³ The Prosecution states that it has consulted with Defendant's supervising officer and advises that he has not violated any terms of his supervised release; however, because of Defendant's history of violence, the Prosecution objects to Defendant's request.

After careful review, I am satisfied that Defendant should remain under supervised release. Accordingly, Defendant's Motion is DENIED without prejudice. Defendant may, however, request early termination of supervision at a later time.

IT IS SO ORDERED this 4th day of April, 2013.
